CURRICULUM VITAE

University of Idaho

Phillip G. Mead

DATE: 1/2019

DEPARTMENT: Architecture

OFFICE LOCATION AND CAMPUS ZIP: Art and Architecture South Rm. 307, 442451

Assistant Professor and Instructor, **Texas Tech University**, Lubbock TX 1997 - 2002
Instructor/Administrator: **New School of Architecture** in San Diego, CA 1993 – 1997

Non-Academic Employment including Armed Forces:

Newschool Architect and Independent Contract Work San Diego 1994 – 1997
Designer of Newschool tenant improvements, store display design and as-builts

Wayne Donaldson, FAIA. San Diego 1993-1994: Historic record drawings job captain, interiors job captain and construction documentation for Bertram Goodhue's 1919 San Diego Worlds Fair building.

Ruscitto, Latham and Blanton, Ketchum, Idaho, Intern, 1991 – 1992 (Fall – Spring)
Projects: Designer of one vacation home. Aided in construction documentation of vacation homes and Bald Mountain Warm Springs Ski Lodge.

Charles Moore FAIA and Moore, Ruble, Yudell, Austin and Santa Monica. Intern, 1990.
Projects: Assisted in five take-part workshops for a church in Austin. Construction documentation of Escondido Civic Center. Process design models of housing com-

Pre-Columbian Architecture Elective 1993 –

Historical Models: Original U of I course (similar to course taught at Texas Tech)

Texas Tech University:

Sophomore Design I and II Arch 2401 and 2402: Seven original projects.

Health and Design. Arch 4000 and 5000: Original Course, syllabus, reading material and slides,

Historical Model Making: Original course and syllabus. Models provided teaching aids for drawing, design and history classes.

Architour: Arch 4000 and 5000: Original syllabus and lesson development for four different trips. Travel arrangement for 40 students.

Habitat Design/Build Arch 4000 and 5000: Original course and syllabus development.

New School of Architecture:

Pre-Columbian Architecture: Original syllabus, lesson development and slide material.

Portfolio Development: Original syllabus and lesson development.

LA Architecture: Original syllabus, lesson development and slide material.

Non-credit Classes, Workshops, Seminars, Invited Lectures:

Invited Lectures and Workshops

Twelve Research Presentations to Idaho high schools. Sp. Fall 2018

Six Research Presentations to Idaho, California and Washington high schools and Community Colleges. Sp. Fall 2017

Ketchum Library Lecture Series: Invited to speaker: "Healing in the Sun" Nov. 20, 2012, Spoke on my research completed in my recent journal article on Sun Valley and showed student work in Downtown Ketchum.

Boise IDL Lecture Series: Invited speaker: "Sun Valley Resort and Navy Hospital. Oct. 12, 2012 Spoke on my research completed in my recent journal article on Sun Valley and showed student work in Downtown Ketchum.

"Stair and Elevator Design and Their Influence on Daily Exercise and Social Equality" Refereed Full paper published and presented to EDRA's 39th Annual Conference in Ver-

"Towers: Functions, Expressions and New Possibilities," Translations: 23rd International Conference on the Beginning Design Student, Savannah, GA. (March 3, 2007). Paper to be published in proceedings

"Flexibility and Design Languages," 23rd Conference on the Beginning Design Student, Savannah, GA. (March 2, 2007). Abstract published in conference program. Power Point Delivered at conference

"Building a Critical Mass of Design Options 21st Conference on the Beginning Design Student. Paper Presentation to the 20th National Conference on the Beginning Design Student, Hampton, Virginia April 2004Paper Published in Conference Proceedings

"Harnessing Diversity through Integrating and Improving Upon the Work of Others," Paper Presentation to the 20th National Conference on the Beginning Design Student, Hampton, Virginia April 2004, Paper Published in Conference Proceedings

"The Medical Significance of Daylight in Design" Proceedings of 32nd National Passive Solar Conference in Austin Texas. June 2003, Invitation extended by Ray Holder FAIA

"Discovering Formal Structures: Vocabulary, Syntax and Pattern Building in Beginning Design" Paper presented to the 19th National Conference on the Beginning Design Student, Oklahoma State University, April 2003 Proceedings Forthcoming.

"Indoor Risks: Towards a Stronger Biological Design Relationship with the Outdoors" Proceedings for the 90th ACSA Annual Meeting, *Architecture in Communication: Challenge and Opportunity in Building the Information Age.* New Orleans, 2002.

"Shrinking Skins, Expanding Volumes, Energy Efficiencies and Unhealthy Side Effects," 2001 ACSA Technology Conference *"Skins"* in Austin Texas. Invitation extended by U. of Texas Dean Laurence Speck FAIA.

"Unhealthy Energy Conservation Practices," Ecology to

Assured Air Quality Roundtable "Air and Light Quality Problems, an Historical and Contemporary Perspective," presentation and discussion to School Administrators from Texas and Oklahoma at Texas Tech's Health Science Center in June 1998. (Assured Air Quality is an Air Quality Company from Dallas who contract for research with Dr. David Strauss and Dr. Danny Cooley from Tech's Microbiology Department

Grants and Contracts Awarded:

Programs Committee Donation, 2003, $1000.00 from Washington State Architecture School for Leon Krier Lecture.

Design Study Grant, 1998, $2000 secured for Muleshoe, Texas nursing home study performed by a fourth year topical studio.

Grant Submissions:

Society of Light Treatment and Biological Rhythms, Outside-in Grant for "New Delivery Methods for Light Treatment." Submitted Sept. 15, 2007

Robert Wood Johnson Active Living Research Program Grant Proposal. 2003 submission of a $250,000 research proposal to study the outside activity levels of those living in a typical suburban development vs. those l6(t)-[So)]797528(s)-8(u)6(b)-5(u)6(r)-3(b)-5(an1o200000912 0 612 7

Society of Building Science Educators (SBSE) 1996 - Present

Association of Collegiate Schools of Architecture (ACSA)

Outreach Service:

Recruiting Design Days and Summer Design Week camp for the College of Art

Channel 13 Lubbock Texas, Interview in August 2000, Interview on the neighborhood planning and house designs

2017: 20 CEU credits earned for AIA and State of Calif. Lisc

2016: 22 CEU credits earned for AIA and State of Calif. Lisc

2015: 22 CEU credits earned for AIA and State of Calif. Lisc

2014: 20 CEU credits earned a

Big 12 Faculty Exchange to Texas A&M to investigate their Hospital Design Program and the Medical Writings of Roger Ulrich, $150.00, Summer of 1998

Convention on Healthcare Design in San Francisco, 1998

ACSA Southwest Regional Conference at Texas A & M, 1998

ACSA Annual Meeting in Cleveland, 1998

Assured Air Quality Roundtable at Texas Tech Health Science Center, 1997

Symposium on Healthcare Design in San Diego, 1997

ACSA Annual Meeting in Dallas, 1997

ACSA West Regional Meeting in Los Angeles, 1997

ACSA Annual Meeting in Boston, 1996

Typology Symposium at MIT, 1994

Society of Architectural Historians Annual Meeting in Seattle, 1994

Newschool of Architecture Spring Design Symposium, 1994

AIA Annual Convention in Los Angeles, 1993

Outreach:

Administrative/ Management:

ACSA Administrator's Conference, Albuquerque 2017.
ACSA Administrator's Conference, Los Angeles 2011.
ACSA Administrators Conference, St. Louis 2009
ACSA Administrators Conference, Minneapolis, 2007
ACSA Administrators Conference, Phoenix, 2006
ACSA Administrators Conference, Miami, 1996
ACSA Administrators Conference, Milwaukee, 1995
WASC Accreditation Preparation Meeting in Pomona, California 1995
ACICS Accreditation Site Visit Evaluator, Wichita Falls, Philadelphia and Puerto Rico 1996-99
