

## WHAT TO BRING IN FALL

MOSS is at an elevation of 5,021 feet and program participants will be outdoors for long periods of time in potentially inclement weather. Expect to experience mild weather during the day (50-60s) and cool temperatures at night (20-30s). Be prepared for a wide range of weather conditions! We have compiled a list of suggested clothing needs for a week of the fall season.

opportunity to launder clothes. Pack accordingly!

### FEET:

- Thick socks (wool or synthetic for 3 field days & 2 travel days)
- 1 pair of closed-toe boots or sturdy shoes suitable for walking over rugged terrain; preferably waterproof
- Light shoes to wear around campus
- Flip flops or shower shoes

HANDS: Light gloves or mittens

### HEAD:

-
