I understand that the 4-H market animal sale is a Butte County tradition supported by the Butte County 4-H program and Butte County Fair, but it is youth education program.

Only youth whose parents have jointed the Association and have agreed to the minimum participation outlined in the membership agreement will be permitted to participate in the sale {Bylaws: Article 3 Paragraph B2}

I understand that the success of the sale is the responsibility of the 4-H members and their parents,
