

Guidelines for the Disposal of Equipment Purchased with Sponsor Funds

An essential component of the administration of sponsored research at the University of Idaho is the responsible stewardship of assets used in support of the University's research enterprise. The University Property Management Office (PMO)

Exempt Federal Property [OMB A-110, §33(b)]

Equipment Disposition under the Federal Procurement Regulations (Federal Contracts)

Equipment purchased under a federal contract for research is generally governed by Federal

Acquisition Regulations (FAR) 52.245-5, Alternate I P9[(e)1(d)-I4(io)TJ 0.0e)1J-11(pn11(rn))]TJ -20J -
