JayCee Hollingshead - Graduate Programs Coordinator

14 March 2024

JayCee's puts her heart and soul into serving the graduate students of CNR. Since she join CNR Grad Student Support team she has thoughtfully reviewed processes and recommended improvements that have streamlined the work needed to recruit and onboard our new students as well as provide continued support to our existing students. Because the majority of our

Ryan Taylor - Technology Solutions Partner I

18 March 2024

Ryan is always so helpful and friendly. He always makes himself available when I need something quickly and provides solutions to whatever is needed at the time. He has a great attitude toward work and helping, and I'm glad to have him as a resource for our department.
